## National Scholar Recognition Caps Successful Year for Paramount Advanced Placement Program

**Paramount, CA** – The College Board has recognized two Paramount High School Class of 2018 graduates as National Advanced Placement (AP) Scholars, capping a successful year for the District's Advanced Placement program as it continues to increase student participation in AP classes and pass rates for AP exams.

Fernanda Corona and Raymond Rosales were named National AP scholars for averaging 4.0 or higher on all of their AP tests and 4 or higher on eight exams. Corona was Paramount High's valedictorian and is now attending Duke University.

"Over the last several years, Paramount Unified has committed to increasing access to AP coursework for all students, expanding course offerings, and providing support to students and staff to ensure greater success," said Ryan Smith, Assistant Superintendent of secondary education. "We are so proud of Fernanda and Raymond, who set a great example for all of our students."

In December, Paramount Unified was named an AP Honor Roll district for its commitment to increasing access to AP for underrepresented students while simultaneously maintaining or increasing the percentage of students earning AP exam scores of 3 or higher.

Paramount Unified increased its participation in AP coursework from 627 students in 2014 to more than 1,000 students in 2018, a jump of more than 60 percent. The pass rate for Paramount Unified students has grown from 31 percent in 2014 to 41 percent in 2018.

"Paramount recognizes the importance of providing an academic culture that creates a path to higher education for every student," Paramount Superintendent Dr. Ruth Pérez said. "As we see great progress in our schools and student achievement, we are indebted to our diligent and dedicated administrators, faculty and staff for their hard work. This is truly a team effort."
