Baldwin Park Unified Adopts New Meeting Agenda Tool

- WHAT:** Baldwin Park Unified will leverage cloud-based technology to distribute agendas for its Board of Education meetings, speeding delivery to board and community members and saving time and cost for agenda preparation.
- WHEN:** Wednesday, July 11
- WHERE:** www.boarddocs.com/ca/bpusd/Board.nsf/goto?open&id=B23V43721F03
- DETAILS:** The new tool, called BoardDocs, provides a suite of tools for creating and managing information required for building meeting agendas, and then allows for quick distribution via the web. Full implementation becomes effective for the District's July 11 meeting of the Board of Education. The system also tracks action on the items, allowing for speedy review of meeting outcomes through the same tool.
