## Fontana Unified Welcomes New Administrators, Principals

**FONTANA, CA** – Fontana Unified School District kicked off the 2017-18 school year with the appointment of three new District administrators and seven new principals, many of whom are longtime Fontana staff and alumni.

Fontana Unified alum Gorge Santiago was named Executive Director of Secondary Schools. During his tenure as principal, the school was named an Advancement Via Individual Determination (AVID) Schoolwide Site of Distinction.

"I cannot tell you how honored I am and how excited I am about this opportunity," Santiago said. "When I started in Fontana as a kindergarten student, I never would have imagined that someday I would be executive director of secondary education."
