## **Bassett Unified to Dedicate High School Special Education Wing to Beloved Educator**

**WHAT:** Bassett Unified will hold a dedication ceremony for Bassett High School's Special Education building in honor of Linda Davis, an educator who spent over 30 years at Bassett Unified helping students with special needs transition into college, vocational school and the work force.

The Davis Learning Center will support the District's Adult Transition program with 21st century technology, adaptive furniture and ADA-approved features, including kitchen facilities. The center will be available to all students in the East San Gabriel Valley Special Education Local Plan Area.

Superintendent Debra French and Board of Education President Dolores Rivera will make presentations.

Davis, who passed away in 2007, was instrumental in helping to incorporate a transition program for students, as well as ensuring that students received equity in their education.

**WHEN:** Friday, Nov. 2  
Reception: 9:30 a.m.  
Dedication: 10 a.m.

**WHERE:** Bassett High School  
755 N. Ardilla Ave., La Puente

**DETAILS:** For further information, please contact Kevin Ausmus at (909) 447-2402 or [kevin.ausmus@vmapr.com](mailto:kevin.ausmus@vmapr.com).
