Baldwin Park Unified to Host Inaugural District Showcase

WHAT: Baldwin Park Unified families, community members and local partners are invited to explore the many hands-on learning opportunities available to students, during the inaugural District Showcase.

The District Showcase will feature interactive booths and displays that highlight a variety of programs, including the award-winning Dual Language program, science, technology, engineering, arts and mathematics (STEAM) opportunities, and an array of career technical courses.

WHEN: 9 a.m. to noon Saturday, March 2

WHERE: Morgan Park, 4100 Baldwin Park Blvd., Baldwin Park

DETAILS: Baldwin Park Unified's 20 elementary, middle and high schools will showcase key programs in academics, athletics and arts, as well as a multitude of student activities and clubs. The District's Early Childhood Education and the Baldwin Park Adult and Community Education programs also will be featured, sharing information on enrollment and much more.

Attendees are encouraged to enjoy student entertainment, refreshments and a kid's play zone during the event. For more information contact 626.962.3311.

MEDIA: Call Amanda Nieto at 909-447-2407 to arrange coverage.

Coverage and/or inclusion of this event in your calendar is greatly appreciated.
