## Baldwin Park Unified Schools to Host Trio of Family Science Nights

**Families will learn about star clusters and use telescopes to  
spot astronomical features**

**WHAT:** Baldwin Park Unified will hold a trio of Family Science Nights that explore the formation and evolution of massive star clusters. The events will be hosted by [Dr. Matthew S. Povich](#), an associate professor at Cal Poly Pomona's Astronomy and Astrophysics Department.

Povich and his team will demonstrate use of telescopes to examine those clusters and their associations in our Milky Way Galaxy.

**WHEN:** 6 to 8 p.m.

**WHERE:** Thursday, Feb. 22: Elwin Elementary School, 13010 E. Waco St., Baldwin Park  
Friday, Feb. 23: Holland Middle School, 4733 Landis Ave., Baldwin Park  
Tuesday, March 6: Sierra Vista High School, 3600 N. Frazier St., Baldwin Park

**MEDIA:** Contact William Diepenbrock at 909-206-5304 to arrange coverage.

**Coverage and/or inclusion of this event in your calendar of events is welcomed and greatly appreciated.**
