Paramount's Odyssey STEM Academy to Showcase Student Work in Science, Technology

WHAT: Odyssey STEM Academy students and staff members will showcase science lab creations, engineering projects and findings from the school's internship program during an Exhibition of Learning event.

Odyssey families and community members will be introduced to the school's hands-on curriculum, which includes mechanical animals with movement patterns, electrical circuits and sound wave experiments.

Students recently completed an eight-week internship program in which they learned from more than 50 businesses in various professions, including medicine and governance. Students will share their experiences during the event.

WHEN: **Thursday, March 14**
5:15 to 6:15 p.m.

WHERE: Odyssey STEM Academy
3701 Michelson Street
Lakewood

DETAILS: Odyssey launched in fall 2018 with a freshman class of 138 students. The school will add a new grade each year over the next three years.

The Odyssey campus offers an array of exciting learning options and features a video conference production room, labs and 3-D printers.

INQUIRIES: Contact Jahmal Corner for more information at (206) 579-4432

Coverage and/or inclusion of this event in your calendar of events is welcomed and greatly appreciated.
