Lynwood Unified Elementary to Inspire Youngsters through College Fair

WHAT: After almost a year of researching colleges, about 650 Roosevelt Elementary students will teach their peers what they have learned about college majors, programs and campuses during the school's College Fair.

Each Roosevelt Elementary classroom adopted a college at the beginning of the school year, conducting research on its institution's programs and major offerings for this culminating event.

Selected students from each class will present on their college's major programs using visual aids such as pamphlets from the universities and graduation regalia.

After visiting the College Fair, all students will complete a symbolic application to a college they are most interested in.

The goal of this event aligns with Lynwood Unified's strategic plan in promoting college in elementary.

WHEN: Friday, April 28
9 to 11 a.m.

WHERE: Roosevelt Elementary School
10835 Mallison Ave.
Lynwood
