## Fontana Unified Partners with Local School Districts for Annual Inland Empire College & Career Fair

**WHAT:** Fontana Unified School District will partner with Chaffey Joint Union High School District and Rialto Unified School District to host the Inland Empire College and Career Fair, which returns to an in-person format after being held virtually in 2021.

The event will feature representatives from more than 50 colleges and universities from across the country, including USC, UCLA, UC Berkeley, Cal State Los Angeles, Cal Poly San Luis Obispo, Scripps College, University of La Verne, University of Arizona, Maryville University, New Mexico State University, and Loma Linda University

Admission is free and families are encouraged to attend.

**WHEN:** **Thursday, Sept. 22**  
4 to 7 p.m.

**WHERE:** Ontario Convention Center  
2000 E. Convention Center Way, Ontario

**DETAILS:** Launched in 2019, the Regional College and Career Fair is a collaborative educational effort that connects nearly 90,000 students with college and university representatives from a variety of public and private institutions.

The event is part of Fontana Unified's efforts to boost college and career readiness by removing barriers and increasing access to information and financial support. Such efforts include annual college application days where students receive assistance in submitting their applications, financial aid workshops that guide students and families through the process of applying for financial aid and completing FAFSA and CA Dream Act applications, and covering college application fees for students who do not qualify for fee waivers.

**Coverage and/or inclusion of this event in your calendar of events is welcome and greatly appreciated.**

---

**OUR MISSION:** The mission of the Fontana Unified School District is to graduate all students prepared to succeed in a changing world. Fontana Unified School District celebrates learning through the development of the whole child. Our commitment to excellence provides quality education, in depth, for all students.
