## Pumpkin Drop to Mesh Science and Halloween Fun for Bradoaks Elementary Students

**WHAT:** Bradoaks Elementary students will put science to the test as Monrovia firefighters, perched atop their fire engine ladder, drop pumpkins – some carved, some not – to determine which can generate the largest splat.

Students have been integrating the theme of pumpkins into their science and reading lessons all month. The pumpkin drop serves as the culminating activity.

Two pumpkins will be dropped per grade level during the event, which is sponsored by the Bradoaks PTA.

**WHEN:** Thursday, Oct. 31  
9 a.m.

**WHERE:** Bradoaks Elementary School  
930 E. Lemon Ave.  
Monrovia

**MEDIA:** For event information, contact Andrea Garcia at (909) 447-2403.

Superintendent

### OUR MISSION

Inspire students to engage in meaningful learning in a safe and nurturing environment that embraces diversity.

Challenge students to be ethical, productive members and leaders of the community.

### OUR VISION

Our students will be ethical, compassionate individuals who:

- graduate from high school prepared for college and career,
- contribute and adapt to an ever-changing world by being resourceful and responsible citizens, and
- embrace diversity.
