Baldwin Park Unified Special Education Students to Showcase Art

WHAT: Baldwin Park Unified special education students will take part in the third annual Festival of the Arts, a celebration of visual and performing arts organized by the Community Advisory Committee (CAC) of the East San Gabriel Valley Special Education Local Plan Area (SELPA).

Preschoolers through eighth-graders will celebrate a morning full of art, which will include displays of student art work, live performances and skits, and stations allowing students to explore activities based on California art standards.

WHEN: 9 a.m. to noon Monday, Oct. 30

WHERE: Royal Oak Middle School, 303 S. Glendora Ave., Covina

DETAILS: East San Gabriel Valley SELPA launched the Festival of the Arts in 2015-16 to provide a venue for students across the region to share their art with the SELPA community, a group that consists of 10 school districts and six charter schools. The program aims to inspire students to explore new ways of creating art.

Parents of students are invited, but the event is not open to the public.
