Plymouth Elementary to Highlight Coding Curriculum at Epic Build Showcase

WHAT: Plymouth Elementary School students will show off their coding projects during a Code to the Future Epic Build Showcase. Visitors are invited to tour classrooms to learn about coding and celebrate the school's focus on incorporating coding as a second language. For Plymouth's Mandarin students, coding can become a third language.

WHEN: Friday, Nov. 15
8:15 a.m.

WHERE: Plymouth Elementary School
1300 Boley St.
Monrovia

DETAILS: Plymouth invites its community to experience how teachers transform learning through computer science. Computer science instruction provides students with the skills and knowledge they need to succeed in higher grades, college and career.

MEDIA: For event information, contact Andrea Garcia at (909) 447-2403.

OUR MISSION

Inspire students to engage in meaningful learning in a safe and nurturing environment that embraces diversity.

Challenge students to be ethical, productive members and leaders of the community.

OUR VISION

Our students will be ethical, compassionate individuals who:

- graduate from high school prepared for college and career,
- contribute and adapt to an ever-changing world by being resourceful and responsible citizens, and
- embrace diversity.
