Woodworth-Monroe Football Team Receives New Jerseys, Gear from LA Rams

INGLEWOOD, CA – A gymnasium full of Woodworth-Monroe TK-8 Magnet Academy students cheered wildly on Nov. 13 as the school received brand new jerseys, shorts, cleats and sunglasses from the Los Angeles Rams and Inglewood Mayor James Butts.

The Woodworth-Monroe football team received the special gift through a partnership between Inglewood Unified, the city of Inglewood and the Rams. It was a celebration of community, collaboration and student achievement.

"This is really cool. It feels like a new beginning," Woodworth-Monroe student Devid Bennett said.

It is a new beginning of sorts for Woodworth-Monroe, which recently enjoyed its first football season in five years. The football players basked in their new gear as they put on their jerseys and posed for pictures alongside the Rams mascot, the mayor and County Administrator Dr. Erika Torres.

The school's volleyball team was also announced and applauded during the festive event.

Woodworth-Monroe is in its second year as a TK-8 school, a consolidation of Clyde Woodworth Elementary and Monroe Magnet Middle School. The campus is completing upgrades that include a modular classroom building, a new library and overall site improvements.

"We are a school that is building to create the optimal learning environment for students to reach their full potential," Woodworth-Monroe Principal Stuart Caldwell said. "Part of the building process is collaborating with the community to ensure our students are receiving the very best we have to offer."

The Rams have been a steady partner of Inglewood Unified, providing school supplies and player visits that inspire students to reach for their dreams.
