# Baldwin Park Unified to Hold Grand Opening for Tech-Infused Sierra Vista High School Library

Library technology designed to foster creative collaboration

**WHAT:** Baldwin Park Unified's Sierra Vista High School will hold a grand opening celebration to mark the transformation of its library into a multi-media collaboration center. The \$175,000 project features five collaboration stations with state-of-the-art technology that will enable students to create tech-infused projects.

**WHEN:** 9 a.m. Thursday, Dec. 8

**WHERE:** Sierra Vista High School  
3600 N. Frazier St.  
Baldwin Park

**DETAILS:** Superintendent Froilan N. Mendoza will offer remarks during a grand opening and ribbon-cutting ceremony. Also in attendance will be Sierra Vista High School leaders, members of the Board of Education and local officials, students and parents.

Sierra Vista library's five collaboration centers include reconfigurable spaces, flat-screen TVs that connect with laptops via Blue Tooth technology and upgraded Wi-Fi. Two stations are in private rooms that also feature stereo sound systems.
