WHAT: The El Monte Union High School District will host a ribbon-cutting ceremony in celebration of the completion of Fernando R. Ledesma High School's newly built Multipurpose Building and Gymnasium, which features a performance space, fitness areas, outdoor classrooms and more.

WHEN: 4:30 p.m. Wednesday, Dec. 7

WHERE: Fernando R. Ledesma High School

DETAILS: In October 2021 EMUHSD Board of Trustees approved a new round of funding from the Measure HS Bond, totaling \$190 million, to support a sweeping modernization program that ensures every campus receives several facilities improvements.

As the first major construction project funded by Measures D & HS, the FLHS Multipurpose Building and Gymnasium aims to promote healthy living, collaboration, sustainability and will serve as a gathering place for health and wellness instruction, physical fitness activities, athletic events, performances and functions.

The site will house a performance space with grandstand seating, basketball court, an outdoor weightlifting area, snack bar, concession and lobby areas, restrooms, classrooms and a learning garden.

Local dignitaries, school officials, students and community members will celebrate the ribbon-cutting with student performances, honorary speeches, tours and refreshments.

Coverage and/or inclusion of this ribbon-cutting in your calendar of events is welcome and greatly appreciated.

The vision of the El Monte Union High School District is to cultivate and empower our students to be ethical, productive, successful and contributing members of our global society.
