Baldwin Park High School to Hold First-Ever Multicultural Holiday Celebration

WHAT: Baldwin Park High School will host its first-ever Posada de Unidad, a multicultural celebration of holiday traditions from around the world. The event is being organized by four students in the school's Dual Language Immersion program.

Rather than a traditional religious Posada, representing the search for a room by Mary and Joseph, the event will feature a procession through at least 19 booths set up by school clubs and organizations.

Each booth will focus on a different holiday tradition, offering displays and activities for participants.

WHEN: 5 to 7 p.m. Thursday, Dec. 14

WHERE: Baldwin Park High School gymnasium, 3900 Puente Ave., Baldwin Park

DETAILS: The multicultural fair was the brainchild of students Christian Ceja, Paulina Serrano, Luis Cabrera and Itzanamy Parra, all participants in Baldwin Park Unified's award-winning Dual Language Immersion Program.

It will include piñatas, performances by the school's marching band, jazz band and choir, as well as tamburazo and cumbia music.

Coverage and/or inclusion of this event in your calendar of events is welcomed and greatly appreciated.
