El Monte Union to Break Ground on New Track and Field Facility at El Monte High

WHAT: The El Monte Union High School District (EMUHSD) will host a groundbreaking ceremony to celebrate the renovation of El Monte High School's track and field facility, which will feature a new synthetic track and field, the installation of a new scoreboard, and other site improvements.

WHEN: 5 p.m., Wednesday, Oct. 30

WHERE: El Monte High School
3048 Tyler Ave., El Monte

DETAILS: The El Monte High School Track and Field Project, funded by Measures D and HS, is part of El Monte Union High School District's ongoing facilities improvements. Approved by the Board of Trustees, the project will create versatile spaces aimed at enhancing college and career readiness for students.

The project is designed to promote healthy living and school spirit by providing areas for physical fitness activities, athletic events, health and wellness instruction, student performances, and community gatherings. Local dignitaries, school officials, students, and community members will join the groundbreaking ceremony, which will feature student performances, honorary speeches, and refreshments.

Coverage and/or inclusion of this groundbreaking in your calendar of events is welcome and greatly appreciated.

The vision of the El Monte Union High School District is to empower and motivate our students to be resilient, college and career ready, lifelong learners and contributing members of our global society.
