Fontana Unified to Host Annual Regional College and Career Fair on District Campus for First Time

WHAT: For the first time, Fontana Unified School District (FUSD) will host the annual Regional College and Career Fair on a District campus – Jurupa Hills High School. Presented in partnership with Chaffey Joint Union High School District (CJUHSD), the fair will serve as a one-stop shop where thousands of K-12 students and families can connect with more than 70 colleges, universities, and employers to explore post-graduation pathways.

The Regional College and Career Fair is part of Fontana Unified's ongoing commitment to boosting college and career readiness by removing barriers and increasing access to information and financial support.

WHEN: **Wednesday, Oct. 8**
4 to 7 p.m.

WHERE: Jurupa Hills High School
10700 Oleander Ave., Fontana

DETAILS: Admission is free and open to all K-12 students and their families from across the region, with the event expected to draw nearly 2,000 attendees from both FUSD and CJUHSD. Food and drinks will be available for purchase from on-site vendors. The fair will also include representatives from local employers, several U.S. Armed Forces branches, and Fontana Unified's career technical education programs, allowing students and families to learn about accessible internships and job opportunities.

The fair will feature breakout sessions designed to guide students and families through the college-going process. Sessions will cover financial aid literacy, navigating college applications in the U.S. and abroad, and building a personalized roadmap to higher education.

Coverage and/or inclusion of this event in your calendar of events is welcome and greatly appreciated.

###

OUR MISSION: The mission of the Fontana Unified School District is to graduate all students prepared to succeed in a changing world. Fontana Unified School District celebrates learning through the development of the whole child. Our commitment to excellence provides quality education, in depth, for all students.
