Fontana Unified CTE Students to Showcase First Student-Built District Float in Fontana Christmas Parade

WHAT: Fontana High School's (FOHI) General Construction Career Technical Education (CTE) Pathway students will debut their custom-built float "Believe in the Magic of Learning" for the 2025 "I Believe in Magic" Fontana Christmas Parade. Students spent more than a month planning, designing, and constructing the float as part of their hands-on CTE coursework. District administrators, Board of Education members, and student board representatives will ride the float during the parade.

WHEN: **Saturday, Dec. 13**
10 a.m.

WHERE: Parade will start at the intersection of Arrow Blvd. and Sierra Ave., Fontana, CA
[Click here for parade map and route](#)

DETAILS: General Construction Pathway students, along with their instructor, will be available for on-site interviews.

In addition to the student-built float, Fontana Unified will be represented in the parade by various school groups and performance teams including:

- A.B. Miller High School Marching Band
- A.B. Miller Sideline Cheer
- Alder Middle School Falcon Spirit Squad
- Chaparral Academy of Technology
