Bonita Unified to Commemorate California Clean Air Day with Walk and Roll Events

WHAT: Bonita Unified School District will celebrate California Clean Air Day and National Walk, Roll and Bike to School Day with two Walk and Roll events at La Verne Heights Elementary School in La Verne and Allen Avenue Elementary School in San Dimas. Families will be encouraged to walk, bike or roll to school rather than travel by car.

WHEN: 7:30 to 8 a.m., **Wednesday, Oct. 7**

WHERE: La Verne Heights Elementary School
1550 Baseline Rd., La Verne

Allen Avenue Elementary School
740 E. Allen Ave., San Dimas

DETAILS: Oct. 7 is California Clean Air Day and National Walk, Roll and Bike to School Day. Schools and families across the country are encouraged to plan activities focused on reducing their carbon footprint and creating safer, healthier environments for children at school.

Bonita Unified recently debuted its new electric vehicle charging station at the District Yard, which will support the District's growing fleet of electric school buses.
