Bonita Unified School District Board of Education Welcomes 2026-27 Student Representatives

SAN DIMAS/LA VERNE – Three accomplished student leaders are stepping up to the podium and embracing their roles as Bonita Unified School District's Board of Education student representatives for the 2026-27 school year, where they will serve as the voices of the student body at the District level.

Luca Roselli of Bonita High School, Breonna Bentivegna of San Dimas High School, and Gloria Hernandez Cristobal of Chaparral-Vista High School are representing their respective campuses and attending regular Board of Education meetings, where they share campus updates and provide feedback on student experiences, accomplishments, and concerns.

"We are excited to welcome Luca, Breonna, and Gloria as our student representatives for the 2026-27 school year," Bonita Unified Superintendent Matt Wien said. "Each of these students has demonstrated a strong commitment to leadership and involvement in their school communities. We value the distinct perspectives they will bring to the Board and look forward to hearing their ideas, experiences, and insights as they help us continue to strengthen our District."

Roselli is a senior at Bonita High School and currently serves as the school's Associated Student Body (ASB) president. He is also a member of the league champion varsity football team and the California Scholarship Federation. After graduation, Roselli plans to attend a four-year university and major in business administration, with the goal of pursuing a career in pharmaceutical sales.

Bentivegna has been actively involved in San Dimas High School's ASB since her sophomore year and currently serves as executive president. She has also served as president of the Foundations of Leadership Club and the Foreign Language Assistance Program, which provides tutoring services to English learners. Beyond her leadership roles, Bentivegna is a member of the varsity golf team and served as team captain for the past two years. Her team won the league championship last season, earning her the Coaches' Award. After graduation, she plans to pursue a degree in business and communications, with hopes of working as a project manager in entertainment at Disney.

NEWS RELEASE

Hernandez Cristobal is a senior at Chaparral-Vista High School and has been a member of the school's Renaissance Leadership class for two years. During her time at Chaparral-Vista, she has played on the soccer team, was selected to the prom court, and has taken part in the school's annual horseshoes and cornhole tournaments. She is also participating in the Early College Program through Mt. San Antonio College, where she is currently a freshman. Hernandez Cristobal plans to earn her associate degree in biology before transferring to a university and pursuing a career in the medical field.
