Río Hondo College Selects Four Finalists for Superintendent/President

WHITTIER – Río Hondo College has announced four finalists for the position of superintendent/president after an extensive national search by the College's Presidential Search Committee, which considered the applications of many professionals from across the country. The final four candidates are Marilyn Flores, Ph.D., Don Miller, Ph.D., Cynthia Olivo, Ph.D. and Tammy Robinson, Ed.D.

The search for the new superintendent/president started in November 2021 with a series of virtual open forums to solicit feedback from students, faculty, staff, and community members. An employment profile was created by the Search Committee and the Association of Community College Trustees. Upon their selection, Río Hondo College's new leader will succeed Superintendent/President Teresa Dreyfuss when she finishes her contract in June 2022.

The College will begin its final selection process, in which Flores, Miller, Olivo and Robinson will participate in a virtual public forum from 1 - 5:30 p.m. on Tuesday, March 22. The event, which will be held via Zoom, will provide 60 minutes to each of the finalists as they introduce themselves and their future goals.

"I feel confident that the Río Hondo College community will be in great hands when it appoints its new superintendent/president," Dreyfuss said. "The process for selecting this position has been rigorous and the final four candidates all possess excellent qualifications to lead this great institution. I know that the new leader will make Río Hondo College proud and will continue its sterling lineage."

Flores is currently the vice president of academic affairs at Santiago Canyon College in Orange County and previously served as interim president for Santa Ana College. Flores holds a master's degree in education from the University of California, Los Angeles as well as a Bachelor of Arts in liberal studies and doctorate of philosophy in institutional leadership and policy studies from the University of California, Riverside.
