El Monte Union to Host Ribbon-Cutting for Mountain View High School's Cafetorium

WHAT: The El Monte Union High School District will host a ribbon-cutting ceremony to celebrate the completion of Mountain View High School's Cafetorium, which will be used as a versatile and flexible space with ample seating and an open stage for performances, rallies and ceremonies.

The project features the addition of retractable auditorium seating, a proscenium wall for performances, decorative acoustic panels, and theatre-quality lighting and sound systems.

WHEN: 5 p.m. Wednesday, March 29

WHERE: Mountain View High School
2900 Parkway Dr., El Monte, CA 91732

DETAILS: The MVHS Cafetorium Project is one of the latest facilities improvements in EMUHSD, supported by a round of funding from the Measure HS Bond, totaling \$190 million, approved by the EMUHSD Board of Trustees in late 2018. The funds have supported a sweeping modernization program that ensures every campus receives several facilities improvements.

Local dignitaries, school officials, students and community members will be present for the ribbon-cutting, which will include a welcome reception with honorary speeches and food prepared by the school's Culinary Arts program.

Following the reception, guests will be invited into the new facility to enjoy a student showcase.

Coverage and/or inclusion of this ribbon-cutting in your calendar of events is welcome and greatly appreciated.

The vision of the El Monte Union High School District is to empower and motivate our students to be resilient, college and career ready, lifelong learners and contributing members of our global society.
