Banning Unified to Host Meet and Greet for Parents, Community

BANNING, CA – Banning Unified School District will host a Meet and Greet event with Superintendent Terrence Davis and the Board of Education to discuss the past, present and future of the District.

The Meet and Greet will be held at 5 p.m. on May 23 in the multipurpose room at Banning High School, 100 W. Westward Ave.

Among those invited to the event are the Banning Chamber of Commerce members, elected officials, parents, students, staff and the greater community. During the event, community members will have the opportunity to comment on developments in the District and ask questions about opportunities available to students.

“At Banning Unified we are committed to ensuring the success of our students,” said Davis. “Our classes and extracurriculars prepare them for bright futures after high school, whether they choose to enter the workforce or pursue higher education. I am excited to share information about our plans and programs with our community.”
