MUSD Partners with Health Care Group to Open School-Based Clinic at Bell Gardens High School

WHAT: Montebello Unified has partnered with Family Health Care Centers of Greater Los Angeles (FHCCGLA) to provide a comprehensive school-based health center at Bell Gardens High School that will offer affordable health care services to students, their families and community members. A ribbon-cutting event will celebrate the grand opening of the facility on Tuesday, Sept. 15.

With \$500,000 in funding, the FHCCGLA chose Bell Gardens High to develop its first school-based health center that will feature six examination rooms, clinical laboratory, behavioral health counseling, health education room, and 16-seat waiting room in two renovated portable classrooms.

Primary and preventative health care, health education, family planning services, teen pregnancy prevention and education, well-baby check-ups and mental health services will be available.

FHCCGLA has partnered with Bell Gardens High School and the Montebello Unified School District in the past to create thriving school-based gardens, farmer's markets, and other projects through its campaign for a Healthier Bell Gardens.

WHEN: **Tuesday, September 15**
10 a.m. - 12 p.m.

WHERE: Bell Gardens High School
6119 Agra St.

Montebello Unified School District is a dynamic learning institution employing top-quality educators. It is the combined work of many that allows the District to continue educating more than 30,000 students every year using the 40 Developmental Assets at all of our school sites. It is through everyone's efforts – students, parents, teachers, staff and administrators – that we are achieving the District's number one goal of raising student achievement.
