### Holocaust Survivor to Skype with Cal High Students

**WHAT:** California High School's World Civilization teacher Tim Woolston has organized a Skype session with a Holocaust survivor through the Museum of Tolerance for his students, as well as the entire Cal High student body.

After the presentation, students will have the opportunity to ask the Holocaust survivor questions about their experience and analyze how the past connects to the present.

**WHEN:** Wednesday, March 11  
10:45 a.m. to 12:45 p.m.

**WHERE:** California High School Gymnasium  
9800 Mills Ave.  
Whittier, CA 90604

**DETAILS:** Since its establishment in 1993, the Museum of Tolerance has welcomed more than five million visitors, the majority of whom have been mostly middle and high school students. The Museum is dedicated to challenging visitors to understand the Holocaust in both historic and contemporary contexts and confront all forms of prejudice and discrimination present in the world today. With the number of Holocaust survivors decreasing year after year, this Skype session provides California High School students a once-in-a-lifetime experience.

**Coverage and/or inclusion of this event in your calendar of events  
is welcome and greatly appreciated.**
